Outer Burial Container Price List

Price Effective August 1, 2017

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container to protect the casket so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

DISCLAIMER OF WARRANTIES:

To the full extent permissible by applicable law our funeral home makes no representations or warranties regarding the outer burial containers listed. The only warranties, expressed or implied, granted in connection with outer burial containers sold by this funeral service are the express written warranties, if any, extended by the manufacturers thereof. No other warranties, including the implied warranties of merchantability or fitness for a

particular purpose are extended by our Funeral Home. Certain State laws may not allow limitations on implied warranties, if these laws apply to you, some or all of the above disclaimer may not apply to you, and you might have additional rights.

Payment Policy

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected at time of arrangements and due prior to services rendered.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

Payment Options

- Payment with cash or check.
- Payment with an approved Visa, MasterCard, Discover or American Express.
- Pre-paid funeral arrangements with our mortuary, subject to verification the policy is valid.
- Assignment of Insurance Proceeds (Financed by American Funeral Financial). Assignment of non-contestable insurance policies can be financed through certain institutions as long as a known cause of death is listed on the Death Certificate. The Financing Company usually charges a fee of up to 5% of the amount assigned. As an accommodation to the family, the Financing Company will make the funeral/cemetery expense payment directly to the mortuary usually within 7 to 10 working days after all information is verified and received.

****DUE TO THE COMPLEXITY AND TIME INVOLVED, WE ARE UNABLE TO ACCEPT PAYMENT FROM ESTATES.***

Personalized Service Options *(Prices Effective October 1, 2018)*

Making funeral arrangements for a family member can be very stressful and involves making many important decisions in a short period of time. To relieve some of the stress, our mortuary offers the following list of commonly selected services to assist you in selecting the appropriate arrangement. The merchandise you select and the cash advance items are additional. Arrangements can be made for any type of service and itemized from our General Price List.
